

CONSTRUCTION NOTICE

48 Hour Driveway Notice

Dear Brittany Hills Resident:

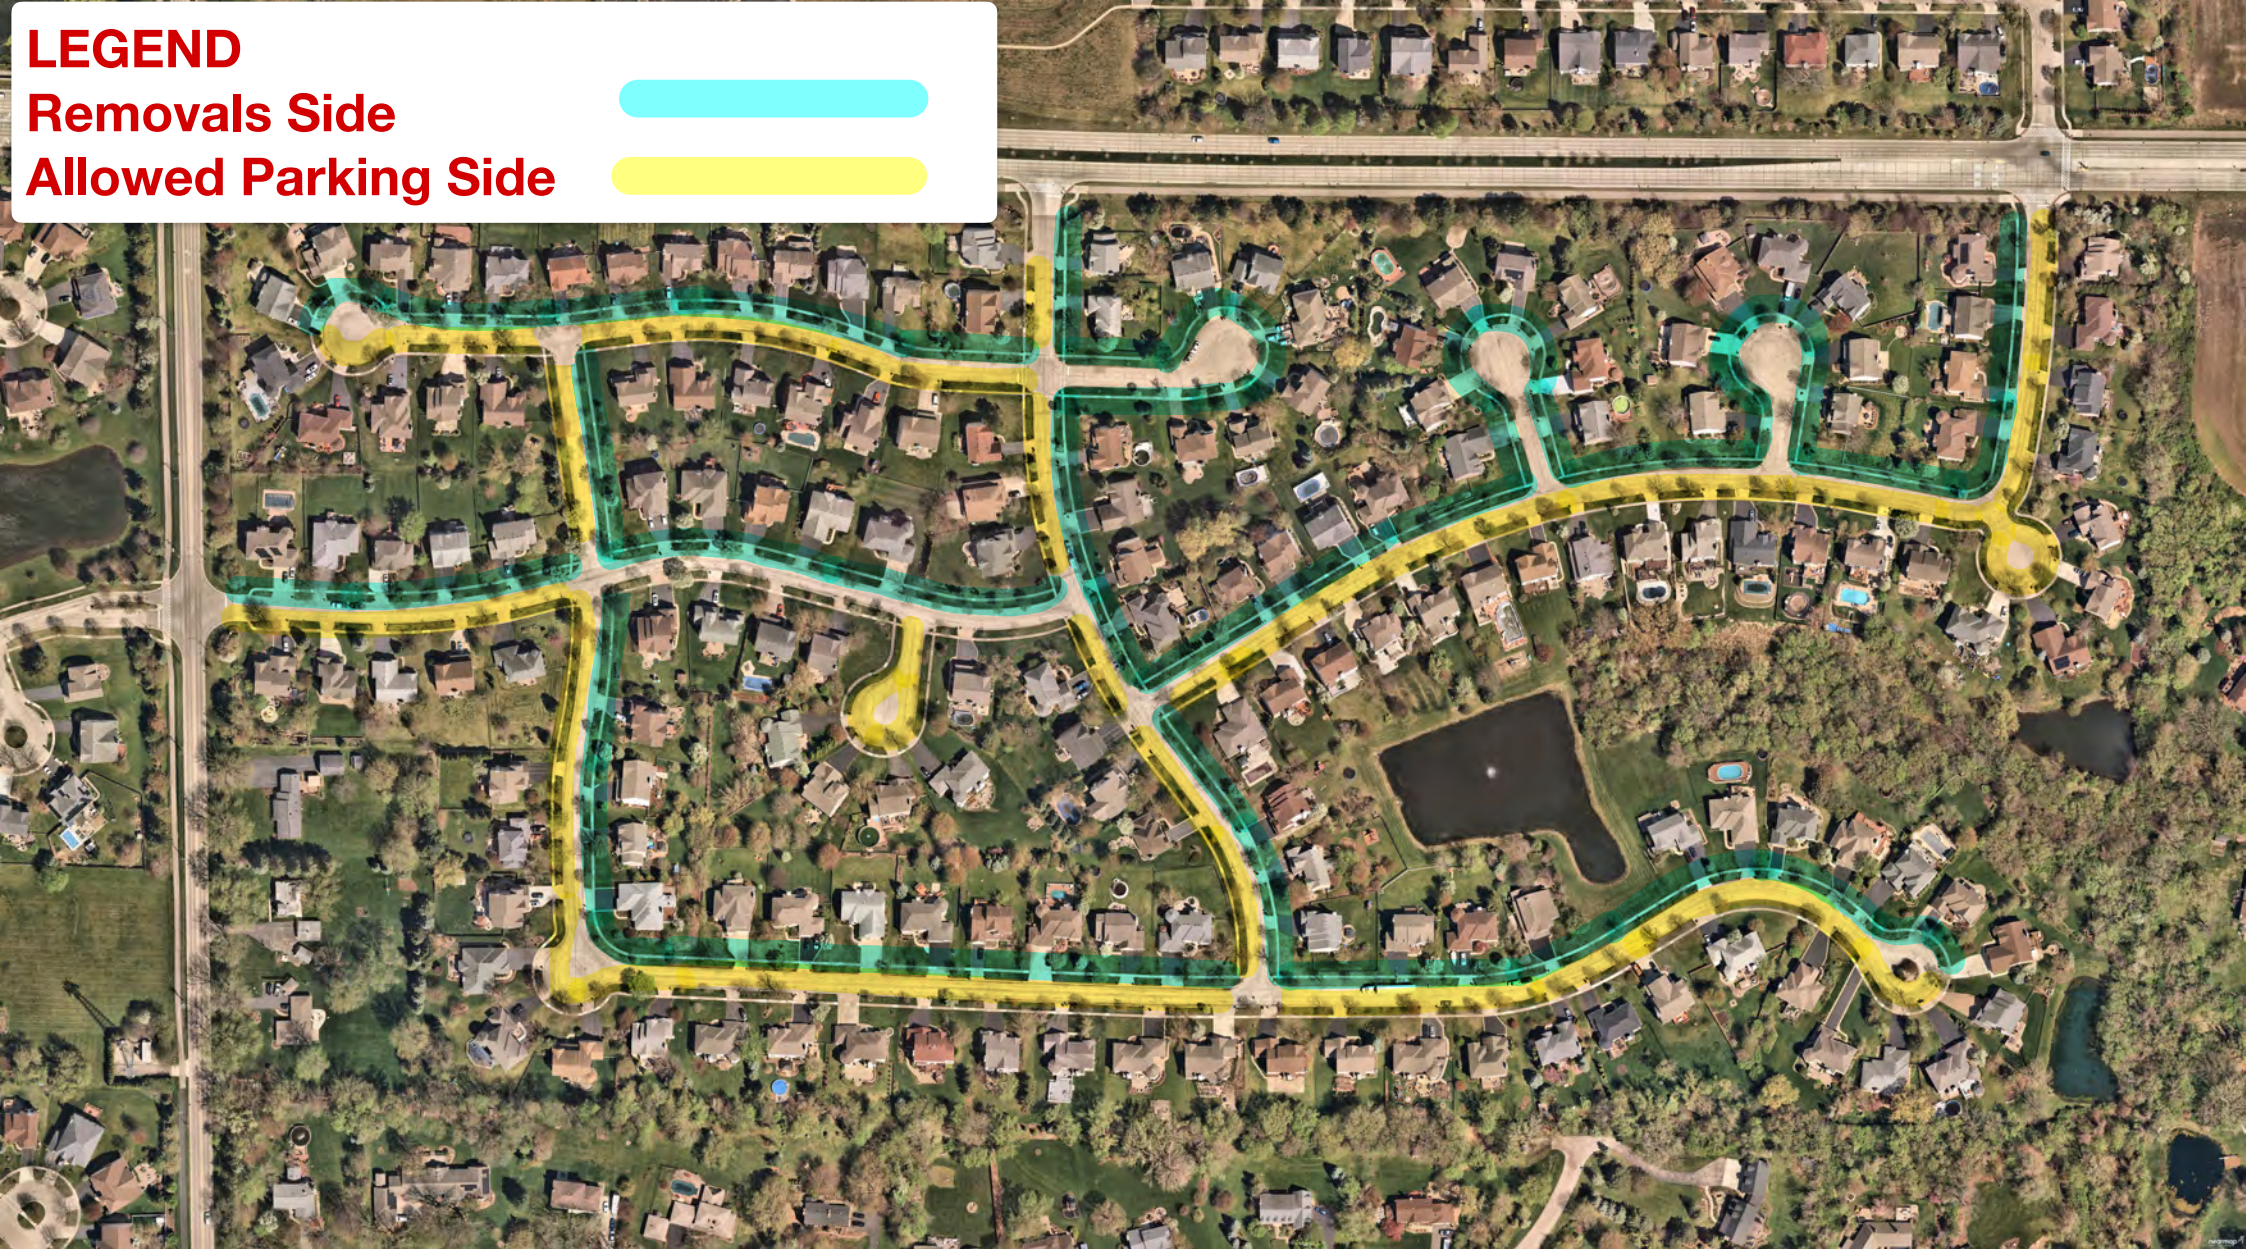

Beginning **THURSDAY, July 10, 2025**, concrete removal and replacement will commence in front of your property. During this time, access to your driveway will be unavailable for approximately 7 to 10 days, depending on the weather. This timeframe is necessary for the contractor to remove the existing concrete, install the framing, pour new concrete, and allow for the proper curing period of the new concrete. Please have all vehicles removed from the driveway by **7:00 am on THURSDAY, July 10, 2025**.

Daily and overnight parking will be allowed on the opposite side of the street while access to your drive is restricted during concrete replacement work. Please refer to the map on the next page.

Once installed, the concrete will be properly barricaded, and the barricades will be removed once access can be regained. Please avoid walking or riding on the fresh concrete during the curing period.

The Village of Algonquin appreciates your patience and cooperation during this construction project. Please call **Raz Calin at 847-533-3013** or **Ahren Ludwig at 224-629-9024** with any questions or concerns.

Thank you for your patience and cooperation during this critical public improvement project.
